I promised Aiko-chan that we'd finish it together...

Aiko-chan was crying badly when she saw this
But it's only a puzzle...
Maybe this puzzle means something important to Aiko-chan
She said something about a promise she made to you, Summer-san?
I'd swear we already did this piece...
Where'd it go?
Huh?

This one time, Papa got a handkerchief from Mama.
To him, it was just a normal handkerchief.
It was quite a shock
And one day, Papa lent it to a friend.
and then that friend used it to wipe the table.
Did Mama get angry?
It was so scary! Mama was next to Papa, and then Mama...

ええくさっ
Stop telling her weird stories!
Yes, yes, this is he
Masaki! Phone!
And she was screaming—
Did Papa tell you about the trip?
Yup!
Tomorrow, you said?
Ta-da!
Then how about we go buy some clothes tomorrow?
Aiko wants this one!
Which one should we pick?
Huh?

Ai-chan, Papa wants to see you smiling when we part
It wasn't Papa's decision to leave
Aiko will you please stop crying?
.....
.....?
...Ah, that's right, Ai-chan

Papa?!
I borrowed it and polished it up a bit
Now you can finish that puzzle, right?

Anyhow, it seems like one of the pieces is missing
Don't worry, just watch!

Chapter 23
VS Ms. Precocious

C'mon, it's hot! Don't get so close to me!
Hey!
Why don't you learn from Ronin? He hasn't complained for a little bit
...Why won't she lay off me?
Hold on...
If it's already this hot,
what'll happen to me when summer reaches its peak?!
Onii-chan, are you hot?
You're all sweaty
I'm totally fine
Hear that?
I'm not like that idiot!

You're welcome!
Thank you, Sono-chan
You're so thoughtful
!

Children, get ready to go home~
Okay~!
Geez!
Hey!
What irresponsible children they are
Even though they've already been told to clean up so many times,
they always leave everything a mess after they finish playing.
Well, she's being a good girl, let's leave her be
Good work, Sono-chan.
No, no, it's nothing!

Stop running, you!
Good afternoon.
Oh, Chitan-chan is the first to be picked up today
Excuse me?
Ronin, there's someone up front; go talk to her.
Chitan-hey!
I still want to play!
Hurry up!
FOUNDATION
Excuse me-
Yeah, I'm coming!
Okay, okay.
It's not polite to make someone wait
Yeah, yeah, yeah
It's not polite to make someone wait!

A middle schooler? Did she get a child from an early marriage? Then she must have married a man with a child?! And now she has to juggle being a middle school student and a mother...!

Geez, such a young age and you're already flipping girls' skirts! You'll grow up into a dirty old man, no one'll marry you, and you'll be single your whole life until you die alone!
What do you think you're doing to Sono-chan!?
くわっ

Hana-chan!
Why are you picking me up?
Mother said she's going to be home late
I see!
Oh yeah, she is Aiko-chan, and he is Suimei-sensei
so you are a teacher?
Yes, I am...
Now, go get ready
kay!

...huh?
Aren't you being a little too friendly?
Well, that's just the impression I got.
You're a teacher, but you only hang around one of the kids?
It seems a little WEIRD.
Sono-chan, let's get you changed!
Okay!

"Weird", is it?!
Onii-chan...
...I don't *think* it is, though...
Onii-chan—
...Someone I just met for the first time said so... maybe it really is.
W-What is it?
Onii-chan!

No... she didn't say that to you.
Is Aiko weird?
.....
I'm not weird! I'm not weird!
Wait, yeah— It's not weird, getting attached to a child.
Hey! Ronin! Would you get Aiko-chan to change her clothes?!

What a good older sister she is
Even though Sono-chan is always so independent, she still lets her sister spoil her
Sono-chan, say banzai!
Let's take this off!
Good, next is your coat

Sono-chan?

Okay, spread your arms.

Onii-chan, take it off!
?
Oh... Then, I'll wait over here... Will you be all right?
Hurry up!
I'll be fine. I can finish it myself.

カチーン
Wow! Sono-chan is a big girl now— she can do everything by herself!
Okay, say banzai!
Isn't she great?
She can change her clothes alone
Can you?
Aiko can also change by herself!
Just leave me alone!
ぷい

Suimei-san, I see that you're very close to her
!
.....
Is she angry?
Very close... well, how should I put it...
You're a ronin, right?
Ah-ha!
You're just being sulky since Sono-chan didn't let you help her
ムカッ
You must have a lot of free time.
Ha ha ha
Now where did you hear that?
むす――っ
.....

What kind of big sister would get irritated because her younger sister is growing up?!
I don't want to hear that from the ronin who ogles kindergarteners!
I do not!

STOP PICKING ON ONII-CHAN!
It's hot.
むん

Are you okay, onii-chan?
I feel so hot

Onii-chan,
what's wrong?
Jeez-
Ah...

Onii-chan?

Wow, you can change your clothes by yourself!
.....
That's great, Aiko-chan!
Ehehe!
So he's still got some fight left in him.
I wonder how Sensei is doing
Oh yeah
.....
Hmm? Aiko-chan, you forgot your tie.

Oh, you're all finished!
Yup!
Hana-chan, thank you for waiting.

You're great!
You did it all by yourself!
YOU MEAN IT?
Sono-chan?
……!?

...Don't worry, I'm fine!
Yay!

I'm sorry about earlier, Hana-chan

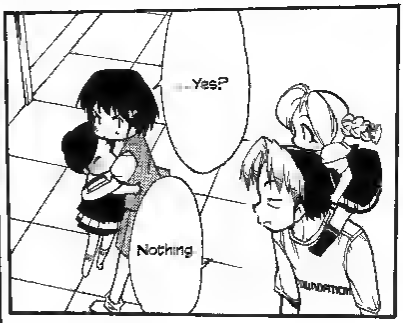
Good, isn't it, Sorio-chan.



...Yes?
